

Child Care Volunteers Needed!

Be a part of making a difference in the lives of Door County children and families!

The Door County Partnership for Children and Families and Extension Door County are offering a series of free workshops, titled "Raising a Thinking Child", for Door County Parents and Caregivers. These impactful workshops empower parents to help their 4-7 year old child learn how to think, not what to think. Results of previous sessions have been extremely positive. As a piece of the workshop, families are provided with free childcare (upon request) and meals.

We are currently seeking responsible adults to provide childcare in order to enable families to participate. Can you or someone you know help? This is a 7-week program, with sessions being held on Thursdays, July 11th - August 22nd, 6:00 - 7:30 p.m. in Sturgeon Bay. The family meal will begin at 5:30 and childcare volunteers are welcome to join us for the free meal. Childcare volunteers will need to complete a background check.

Please contact Candis Dart at doorcountypartnership4children@gmail.com or (920)421-3144.
